## QUESTIONS TO BE CONSIDERED WHEN BOOKING FOOD TRUCKS

We ask the following:

1. Name of Event, Contact, Location, Date & Time
2. How many food trucks are you looking to book?
3. How many people will be attending the event? This question is critical for booking. This number needs to be very close to actual count.
4. Will there be any free food or drinks given away?
5. Is this a private or open event?
6. Will there be any non-licensed or non-insured vendors selling food?
7. Is there enough room to accommodate all food trucks in one area?
8. Will this event be heavily promoted?
9. Will this event be rain or shine? If so, what is the rain contingency?
10. Are you looking for Food Truck Experience or Catering?

\*NOTE:

THESE ARE JUST A FEW OF THE QUESTIONS WE ASK. IT IS EXTREMELY IMPORTANT THAT YOU NOT OVERBOOK FOOD TRUCKS AT AN EVENT. ON AN AVERAGE EACH FOOD TRUCK EXPECTS TO HAVE 100 COVERS / TICKETS / ENTREES SOLD PER 2 HOURS MINIMUM. MOST FOOD TRUCKS CAN SERVICE 100-110 PEOPLE ON AVERAGE IN 2 HRS.
